Be polite &
don't argue

Happy almost Spring, MHS Community!

We are thrilled to have everyone back at school after Spring Break. Classes have been busy re-connecting and learning and with the warmer weather upon us have been enjoying time outside skiing, playing broomball, building structures and having lots of fun at recess.

Mahsi cho to the many families who attended our Celebration of Learning evenings prior to March Break. We hope that you enjoyed learning more about your child's skills and talents and that you got to hear about our school-wide fish inquiry project.

We have many exciting events between now and the end of the school year, and hope to see you at the school lots over the coming months. Our MHS Soccer teams are busy practicing and all of our classes are getting ready to host you at our Spring concerts. In the tipi, we have some very exciting hands-on learning planned for Term 3, along with continuing to practice learning the Williideh language in new and engaging ways.

We would like to warmly welcome our new students and families that have joined us over the past couple of months, we are so glad you are here! MHS is welcoming new registrations for the 2025-2026 school year, if you know a family interested in joining our thriving school community, please encourage them to connect with the school office by phone, or by dropping in. We have some very exciting things in store for next year!

Mahsi cho for all that you do to support the children and our school.
MHS Leadership Team
