## PRINCIPAL'S MESSAGE Mr. Dean MacInnis

March will be a short month here at Sir John. There is no school on Friday, March 14th and **March Break** begins on March 15th. Students will return to school on Monday, March 31st.

We have set dates for the **2025 Grad Season**. On June 7th, we will host the **Indigenous Honor Ceremony** on the SJF grounds. **Formal Grad** will be held on June 24th at the school. **Academic Grad** will be held at Somba'ke park on June 25th. More details on these events will be posted as time gets closer.

February was a busy month at the school with many events. On February 14th, **MAGMA** hosted their first Coffee House this year. Students were able to come to the library for a nice evening of poetry and music. To see more about this event, check out the rest of the newsletter.

This month saw the event "**Sir John's Got Talent**" on February 27th. An incredible show of talents from music to skits and jokes.

**Pink Shirt Day** was February 26th. Staff and students were encouraged to wear pink to bring awareness to bullying. Thank you to all Falcons who participated

Our annual **SJF Reading Challenge** is still going! So far, we have read over **700** books! Keep reading everyone! It's very easy to join the challenge. Simply read a book and record your name and book title!

The weekend of March 7th to 9th will be the **Senior Cager basketball tournament**. We hosted a **Pep Rally** on Thursday, March 6th in support of our teams. Go Falcons Go!!

A huge shoutout to **Sydney Galusha** (Grade 10) and **Ella Skauge** (Grade 11) for their incredible performance at the **Scotties Tournament of Hearts** (Senior Women's Canadian Curling Championships)! They won three games, including an unforgettable victory against Team Einarson, the four-time Scotties champions. What an outstanding achievement!

**Yours sincerely,**  
Dean MacInnis

## READING CHALLENGE

The 2025 Reading Challenge runs from **JAN 27 to MAR 31!**

The Challenge is to get all SJF Students and Staffs hyped about reading!

- French books count
- Graphic novels count
- Audiobooks count
- Books in languages other than English count
- Short books count
- Manga counts
- Long books count
- Fiction, non-fiction counts
- Romance books that you don't want people to know you are reading count (no one but me sees the titles and I won't judge!)
- and... if it looks/sounds like a book, IT COUNTS!

Like last year, we will award weekly prizes to our MVPs!

### Background:

For those of you who are unfamiliar with the Reading Challenge, it was born as a competition between Sir John and St. Pat's during the 2020 COVID lockdown and then was the premier (and only) sporting event in 2020-21 and 2021-22.

Each year, I get questions about what types of books count.

The answer? **ALL BOOKS!**  
We aren't discriminating!

### How it works:

1. Read a book.
2. Scan the QR code to record your book.
3. Repeat many, many times!

In the end, whichever school has the highest average reading (number of books read divided by the number of participants) wins!

If you have any questions, please ask Ms. Robson or Ms. Daly!

## SOCIAL STUDIES

Mr. Kooymans's **Grade 9 Social Studies** class took part in a gallery walk of their Physiographic Regions of Canada inquiry projects!

They also visited the **Giant Mine Oversight Board** to discuss the ethics behind resource extraction. It's always great to take learning beyond the classroom!

## SOCIAL STUDIES CLUB

Students in the Social Studies Club hosted their second annual **Black History Month Trivia Day** in the Foyer on February 28.

Club members worked hard all month at developing information slides made available to the student body, creating 25 questions about prominent Black Canadians, and managing an exciting trivia event over the lunch period.

Great job to all who organised and participated in the event!

Huge shoutout to **Kirsten** and **Lena**, who put in extra effort leading up to the event and did a fantastic job as hosts!

## FRENCH Language Arts

On February 27, **FLA 9 students** took part in a creative writing session with **Clémence Dumas-Côté**, a poet, artist, and performance artist from Montreal, Quebec.

Students brought a personal item from home and wrote using their five senses. Some students had the opportunity to read their pieces to the class, sharing their unique and heartfelt expressions with their peers.

## SCIENCE

Grade 10 scientists using spectral analysis to estimate the age of the Universe.

The evidence they found was interesting but not enough to convince anyone that the Big Bang Theory is a reliable explanation for how the Universe came to be.

But they did recognize that the redshift of galaxies did make it seem likely that the Universe is expanding at an accelerating rate

Grade 9 class exploring evidence of chemical change. They are mixing different solutions to see if there is a change in colour, temperature or if a new substance was created.

# SCIENCE – Biology 30

Hands-on learning!  
Students dissected a brain and an eyeball to explore the fascinating structures of the nervous and sensory systems!

# TŁICHQ CLASS

**Highlight from Ms. Lafferty's  
Period 2 Tłichq Class.**

Logan is skinning the caribou  
while Carter and Nahze wait  
for their turn.

Lawson is cutting a back strap.

# SIR JOHN'S GOT TALENT!

**R.A.S.K.L.**

On February 27, Ms. Shantora and Mr. Currie, along with many other helpers, put together an incredible talent show that showcased the amazing skills of our students!

Huge shoutout to all the performers who took the stage and made it an unforgettable night! For more photos, visit our school's [Flickr Page!](#)

## MAGMA Coffee House

On February 14, **MAGMA** (Magnanimous Advocates Generating Mental Health Awareness) hosted a Valentine's Day Coffee House!

## MAGMA Coffee House

With around 25 students in attendance, the event was filled with karaoke, a raffle, and plenty of snacks. What a great way to celebrate the day while promoting mental health awareness!

Our **Green Team** had a meeting with **ECC Minister Jay MacDonald, MLAs Kate Reid and Shauna Morgan**, sharing their feedback on the GNWT's Climate Action Plan.

Students spoke up, asked great questions, and made their voices heard on environmental issues that matter!

## PROUD MOMENT!

A huge shoutout to **Sydney Galusha** and **Ella Skauge** for their incredible performance at the **Scotties Tournament of Hearts!** They won three games, including an unforgettable victory against Team Einarson, the four-time Scotties champions. What an outstanding achievement!

A special congratulations to **Sydney**, who made history as the youngest player ever to compete at the Scotties!

**Way to go, Sydney and Ella! Your dedication and achievements inspire us all!**

# CAGER BASKETBALL TOURNAMENT PEP RALLY

Our Falcons brought the ENERGY as we kicked off the **Cager Basketball Tournament** weekend with an awesome **Pep Rally!** The teams are pumped and ready to play! For more photos, visit our school's [Flickr Page!](#)

AHEAD

## Summer Research Program

Student Applications Open:  
March 3 - April 2, 2025

Program Runs:  
July 3 - August 14, 2025

### Grade 11 Female and Gender Diverse Students

Are you looking for a unique summer job opportunity? Apply to the WISEST Summer Research Program (SRP), a 6 week **paid** research internship. The SRP will give you a hands-on research experience and a chance to discover STEM careers and your place in them.

### You Can Expect To

- Contribute to trailblazing research.
- Join a supportive community of STEMInists.
- Connect with successful STEM professionals.
- Become familiar with academic life at a post-secondary institution.
- Broaden your perspective about innovative STEM careers that solve the biggest challenges facing society.

The program will run in person at the University of Alberta North Campus (Edmonton). A residence program is available for out-of-town students.

We invite applicants from diverse backgrounds and lived experiences, including Indigenous, racialized, and rural students, to apply. To advance equity in STEM, Black and Indigenous students have tailored pathways to participate in our program.

For more info and to start your online application visit: [www.uab.ca/WISEST](http://www.uab.ca/WISEST) or email us at [wisest@ualberta.ca](mailto:wisest@ualberta.ca) if you have any questions.
