WSLETTER

PRINCIPAL'S MESSAGE Mr.Dean MacInnis

The snow is almost gone and we only have two months left of school this year! We hope everyone is spending time outside and enjoying the warmer weather.

Parent Teacher Interviews were held a few weeks ago. If you were unable to meet with your child's teacher, please call the school at (867) 669-0773 to make arrangements to meet with them at a different time.

This past month, both our student and grad councils hosted events. We had MAGMA students visit Mildred Hall School and Range Lake North in April to talk to Grade 8 students about Mental Health. The Student Council organized the "Drop the Pop" campaign to encourage healthy eating among students, while the Green Team hosted Earth Day events... etc. Check out the newsletter for pictures of all the activities that happened in April!

Our annual Sir John Athletics Golf Classic is on Saturday, June 1st. If you are interested in registering a team, please contact greg.skauge@ykl.nt.ca.

Our music department has their "Spring Serenade" concert on Thursday, May 23th. The concert will be held at NACC and Admission is FREE!

Lastly, our soccer teams participated in the annual **Super Soccer** tournament on April 25th -28th. SJF had 10 teams with over 100 student-athletes. Congratulations to all of our SJF Falcons who brought home five banners!

As you can tell, we have many exciting things happening at the school before we wrap up another school year!

Yours sincerely, **Dean MacInnis**

SUPER SOCCER TOURNAMENT

Once again SJF was well represented at the annual NWT School Championships Super Soccer Tournament held here in town at the Fieldhouse!

We had 10 teams competing in the 4 different divisions. 3- U15 Girls Teams, 3 U15 Boys Teams, 2 U18 Girls teams and 2 U18 Boys teams.

Not only was our school represented in numbers but also in skill as we came away with 5 banners!

CONGRATULATIONS

Amazing job, Falcons! You make us all so proud!

SUPER SOCCER TOURNAMENT

A Huge shout out to our photography student, Luna Langlois, who captured the intensity and excitement of the tournament!

SUPER SOCCER TOURNAMENT

We could only include so much in this newsletter, so make sure to head over to our school's official Flickr Page for the full slam-dunk of memories! https://www.flickr.com/photos/162514633@N04/albums/

The SJF Junior, Senior and Concert Bands performed at the Yellowknife Music Festival in the third week of April.

The adjudicator, **David Lum**, a retired teacher from Toronto District School Board was very impressed with their performances and the flexibility to adapt to new information and to improve quickly the students showed during the workshops.

The Concert Choir participated in a workshop and a concert at the Northern Arts and Cultural Centre with a guest choir called Oran.

They taught us a song with movement from South Africa that was sung in the IsiZulu language.

Students from William MacDonald and Mildred Hall Schools made up a part of the audience as well as some Sir John students for the 30 minute concert that **Oran** presented.

The music students will be presenting a **Spring** Serenade concert on May 23 at 7 PM at NACC.

ADMISSION IS FREE!

DIAVIK MINE TRIP

A huge thank you to **Stephanie Harris** and her Rio Tinto colleagues for hosting Sir John students and staff at the **Diavik Diamond Mine** on April 10.

Five staff and 25 students travelled north to Lac de Gras and spent the entire day immersed in a full operational experience at the mine. Truly Unforgettable!

SCIENCE

NORTHERN STUDIES

Science meets culture! Ms. Waugh's wildlife and northern studies students were taught how to process a Wolverine by traditional knowledge holder and trapper Donavon Boucher.

NORTHERN STUDIES

Student's from all areas of the school supported the second day or processing with around 150 students and teachers being a part of the learning.

Come check out the completed pelt in Ms. Waugh's classroom!

TASTE OF THE NORTH

Taste of the North, envisioned by Ms. Waugh with the support of her family, is a cultural revitalization project which allows students and staff of SJF the opportunity to try Northwest Territories foods from locally sourced meats.

Student's in Ms. Waughs Wildlife classes focus their learning on the zoology of the animal as well as how to hunt, process and use all the parts of the animal.

This time around, students have been learning about bison and processing a bison skull during class.

Ms. Waugh, with the help of her mom, made bison meatballs for students to try - they were a **BIG HIT!**

GREEN TEAM

Falcon Fanfare

For **Earth Week** this year, the **SJF Green Team** sought to engage and educate students with regard to issues surrounding the environment.

On Tuesday, April 23rd we had a planting activity where students were able to plant a seedling in a recycled makeshift pot to take home.

Unfortunately, our wooden fish painting activity set for Wednesday, April 24th had to be postponed.

Go for a SMOOTHIE instead!

FACT#1

Frequently drinking sugar-sweetened beverages is associated with weight gain, obesity, type 2 diabetes, heart disease, kidney diseases, non-alcoholic liver disease, tooth decay and cavities, and gout, a type of arthritis

FACT#2

Sugar-sweetened beverages are any liquids that are sweetened with various forms of added sugars like brown sugar, corn sweetener, corn syrup, dextrose, fructose, glucose, high-fructose corn syrup, honey, lactose, malt syrup, maltose, molasses, raw sugar, and sucrose.

This campaign initiated by the GNWT continues to provide funding to schools to support healthy students.

Huge thanks to everyone who joined us in DROPPING THE POP for a REFRESHING SMOOTHIE! Your energy and enthusiasm made today truly special!
