School Supply List – 2026-2027

Here is our list of requested supplies for the 2026-2027 school year. As many of our families have more than one child attending École Jtł'ò, the requests for all grades have been placed together for ease of reference while shopping.

**Please note: individual teachers may have additional requests for families.

*Indoor shoes will also be used for physical education (gym class), *if and only if* they are proper athletic/sports shoes that provide good support.

IMPORTANT: For safety, cleanliness, and to avoid distractions in the classroom, the following footwear is strictly prohibited at school:

- Sandals, flip-flops, or open-toed shoes
- Light-up shoes (shoes that flash)
- Wheel shoes (Roller Shoes / Heelys)

A Quick Note on Independence

For the indoor/gym shoes, it is very important to choose a pair that your child can fasten completely on their own (either with Velcro or by tying their own laces). Developing this autonomy is a major milestone for them, and it greatly boosts their confidence during our daily routines.
