

Shortt, Allan

Moved to Yellowknife in 1978 to work for PCL. I worked as a senior construction superintendent for PCL for 29 years and then Clark Builders for 14 years.

I am a single father of two daughters that were born and raised in Yellowknife. Both have been educated in the YK1 system. My youngest daughter Jordan Dowe was a JK teacher at Ecole İtł'ò for 10 years.

I have been a YK1 trustee for 14 years. 3 years as chair. 4 years as vice chair. Presently I am the vice chair at YK1.

I always support what is best for the children in our district in every motion that the YK1 board of trustees make.
