

École Sir John Franklin High School – Fair Play Code

At École Sir John Franklin High School, athletics are an extension of our classroom. We believe that how we play is just as important as the outcome of the game. All athletes, coaches, parents, and spectators share responsibility for upholding the values of respect, integrity, teamwork, and safety.

As a Student-Athlete, I Will:

- Compete with respect for myself, my teammates, my coaches, my opponents, and officials.
- Show integrity by playing by the rules, being honest, and accepting decisions without argument.
- Demonstrate teamwork by encouraging others, sharing success, and supporting teammates.
- Commit to effort and growth—win or lose, I will give my best and learn from each experience.
- Represent SJF with pride, knowing I am a role model on and off the court/field.

As a Coach, I Will:

- Model fairness, respect, and positive leadership at all times.
- Teach skills and strategies that encourage growth, confidence, and teamwork.

- Provide all athletes with opportunities to contribute meaningfully.
- Respect officials, opponents, and the spirit of the game.
- Place the well-being and development of student-athletes above winning.

As a Parent/Spectator, I Will:

- Support all athletes with positive cheering and encouragement.
- Respect coaches, officials, and their decisions—even when I disagree.
- Encourage effort, improvement, and enjoyment over results.
- Recognize that participation in athletics is an educational opportunity for my child.
- Model good sportsmanship at all times.

Consequences for Not Playing Fair

Violations of the Fair Play Code may result in warnings, reduced playing time, suspension from games, or removal from the team/program, depending on the severity and frequency of the behavior.
