

Spicer, Briana

Accountable and diligent decision maker with a very good eye for detail and a strong knack for communication.

I am running for YK1 School Board Trustee to contribute my skills and experience to our community. As a parent in the school district, I deeply respect the work our educators and administrators do, and I value the education our children receive.

I currently work with Northern Employee Benefits Services (NEBS) managing pension and health benefits for public sector employees across the NWT and Nunavut. Before joining NEBS, I worked with the Government of the Northwest Territories (GNWT) for 10 years in the departments of finance and infrastructure, assessing financial requests, reviewing budgets, and managing major infrastructure agreements. Throughout my career I have been known for my professionalism, strategic thinking, and commitment to excellence.

I previously served on the City of Yellowknife Grant Review Committee (2016-2022) and was a member of the NWT Montessori Society Board of Directors (2021-2023). I hold a Master of Business Administration (MBA) from the Schulich School of Business at York University.

In my spare time, you'll find me playing boardgames with my family, enthusiastically failing at gardening, starting (and sometimes even finishing) crafts, or reading.
