Dear Parents/Guardians,

Wow, what a week it has been. We have been so pleased with how the first week has gone this year. Students have come into the school and embraced the first week. While there have been challenges with masking and Covid exposures at two schools students have remained steadfast.

I want to reiterate to all parents/guardians that we are doing the best we can to follow all protocols established by the CPHD. You too can support us with this by also adhering to protocols and ensure that you screen your child prior to coming to school. Should your child be symptomatic, please keep them home until symptoms subside. Should those symptoms persist, please reach out to Public Health for further assessment.

We had an outdoor assembly in bubble groups with all students being masked. This adheres to the CPHD protocols. We value the opportunities to build community and the pandemic has created challenges for us to make this happen. We are hopeful that at some point the protocol surrounding short assemblies can be revisited with safe protocols in place. This would really allow our staff and students to develop the bonds of a school community.

Our Outdoor Classroom has been a hit with students and staff, not to mention it really helps make our school entrance welcoming. Exploratories have started and all indications suggest that this will once again be a highlight of our programming. Students are very excited to have our Culinary Arts (foods) return to the program. I know that I am looking forward to the culinary aromas that permeate the hallways during exploratory times.

We currently have planned an Open House on September 8th from 6-7 pm for Grade 6 parents/guardians and September 9th from 6-7 pm for Grade 7 parents/guardians. It is an opportunity for you to meet the teachers and hear further information regarding school operations. Unfortunately, we are not able to offer indoor school tours at this time. I would like to thank you all for helping make the first week of school a success and if you ever have any questions or concerns, please do not hesitate to reach out.

Mahsi, Thank-you, Merci
