IMPORTANT INFORMATION FOR YOU!

Dear Parents and Guardians,

Wow, it is finally about to happen! The school is ready! I know it has come down the 11th hour but we are finally here. It is hard to imagine what has happened the last 5/6 months. ÉJHS is ready to start along side us. Their teachers have been so very patient and resilient during this upheaval and I would like to extend my thanks to all of them for working through the stress and the anxiety of "not knowing". When will they get their stuff moved? When will they be able to get into a classroom?, When will they know their schedule?. Many frustrations will all be pushed aside when we see those smiling faces connecting with their friends and their teachers! Thank you Graham, Jeff, Laura and ÉJHS staff for being sooooo patient!

The challenges that we have had to go through as a community of learners has been immense. In many ways, we will be forever changed. How we deliver teachings to our children and the knowledge that our educators have gained has been enlightening for many.

We have put many protocols and procedures in place and I ask that you be patient as we change how things are delivered. Our plan is a dynamic one and we are always open to suggestions and willing to change things as new information comes our way.

I am looking forward to connecting with new families and certainly our old ones, again. Please make every effort to connect this year with your child's teacher/s as I am sure they will want to keep you informed.

A reminder of our traffic flow on the second page, along with the screening tool. Again, welcome to the 2020-2021 school year, I am sure that this will be a memorable one like 2019/2020.

As always, I am only an email or phone call away.

See you all tomorrow!

Jeff

COVID-19 INFORMATION Daily Symptom Screening Tool

Use this COVID-19 screening tool with your child every morning before going to school.

- Has your child travelled outside of the NWT, or had close contact with anyone who has travelled outside of the NWT in the past 14 days?
Has your child had close contact with anyone who is showing symptoms of COVID-19, is awaiting a COVID-19 test result, or has tested positive for COVID-19 in the past 14 days?
If the answer is YES to one or both questions above, please keep your child at home and contact public health for next steps. If the answer to both questions is NO, move to Step 2.

- Does your child have **ONE or more** of the following symptoms?

Fever New or worsening cough Shortness of breath

If your child has ONE or more of these symptoms, please keep them at home and contact public health for next steps. If your child has none of these symptoms, move to Step 3.

You can find your local public health phone number here:
<https://www.hss.gov.nt.ca/en/hospitals-and-health-centres>

My local public health/health centre phone number:

- Does your child have **TWO or more** of the following symptoms?

Sore throat Runny nose Nausea/vomiting Diarrhea

Headache Feeling generally run down and tired New loss or decrease in sense of taste or smell Body aches

If your child has TWO or more of these symptoms, please keep them at home and contact public health for next steps.
