

# École ȩt'ò

## Life-long Learning

### French Immersion

École ȩt'ò is a family-centred school with a welcoming 100% French Immersion learning environment. Fine arts, physical education, Indigenous and outdoor programs, are taught in French, adding to students overall learning experiences.

Designed to help students develop a functional level of bilingualism by the end of Grade 12. Research shows learning in a 100% French Immersion environment enhances student second language proficiency.

Open to all children wanting to learn French.

## Real World Experience

At École ȩt'ò, student activities, events and learning experiences are linked to our northern and global society. Community partnerships provide opportunities for students to become involved beyond the classroom and see the 'bigger' picture. As learning comes to life, students experience success and take an active role in their education.

School intramural programs, French and Indigenous culture camps, and whole-school celebrations are only a few of the opportunities available to students.

École ȩt'ò promotes personal responsibility and self-regulation, and building strategies for success: making good choices, developing self-discipline, and establishing meaningful connections.

Students and staff have meaningful learning experiences, and engage in an environment which inspires a love of learning and the life-long pursuit of knowledge. Ongoing professional development (PD) for educators is a vital link between current research and classroom practice.

## Quality Education

Our French Immersion language program includes a strong focus on literacy, math, and culture-based education. Every classroom is equipped with modern technology that promotes the integration of technology across the curriculum. Students in Grades 2 to 5 also learn to use chromebooks. These technologies provide students with exciting opportunities to develop a skill-set which has lifelong benefits.

Students learn in a fully inclusive setting that welcomes all and builds success for all.

# École Itl'ò has a lot to offer...

- Single-track French Immersion from Junior Kindergarten to Grade 5
- French language acquisition occurs naturally in a 100% French Immersion environment
- Students are encouraged to speak French throughout the school day, all through the school grounds and with school staff
- English Language Arts is taught in Grades 3 to 5 by an English specialist
- Self-regulation programs foster caring, achievement, and safety
- School-wide reading and writing
- Early literacy program
- Indigenous culture programming and camps
- Student leadership groups
- Music, Physical Education, and extra-curricular programs
- An inclusive and accessible school for all learners
- Active Parent Advisory Committee (PAC) & CPF

## Canadian Parents for French (CPF)

École Itl'ò is supported by Canadian Parents for French (CPF), a national volunteer-based organization of parents who value and promote French language learning opportunities.
