## Principal's Corner

As we round the corner from a cold winter and slowly head into spring, we will be heading outside a lot more as the weather warms up. Our mornings are often still quite chilly, so please remember to send students to school dressed warmly! You could hear the cheers through the school when we were finally able to announce an outdoor recess last week!

Our students have been working on a "Kindness Blitz" this month. We have set a school goal of 1000 random acts of kindness and are close to 75% of our goal!! It has been so nice to see our students trying to be kind and looking for ways to fill someone else's bucket!

## Mildred Hall Intergenerational Garden

Have a passion for gardening?  
Interested in helping the students with food security?  
We're looking for a parent to help co-ordinate watering and weeding of the student garden plots this spring/summer.

Contact the office if you'd like to help! 873-5811

## Parent Teacher Interviews

Due to our limitations with Covid, our parent teacher interviews will remain similar to the first term. We encourage you to sign up for a phone interview with your child's teacher.

These interviews are available on Tuesday, March 9th from 3:45-7 pm and Wednesday, March 10th from 3:45-7 pm. Please connect with your child's teacher or the office to set up this time. We value your communication with the school as we work together to support our students.

Report cards go home on Monday March 8th.

## JK/K Early Registration

Registration is open for Junior Kindergarten and Kindergarten for the 2021-2022 school year. Watch the following [video](#) to see what our school and programs have to offer your child! If you don't receive a digital copy of our newsletter, you can look on our Facebook page for the video link! If you missed the virtual open house and would like more information please contact the school at 873-5811.

### Dene Law for March :

**Young girls and boys  
should behave  
respectfully**

Through respect, we learn others' stories and can grow. We see how others walk and find compassion. Being polite and kind to each other shows that we care about ourselves and those around us.

### Grade 3 Traditional Games Camp

## 5/6Mac participating in Classroom Champions

Grade 5/6 MacNeil had a Zoom meeting with Ron MacLean, Willie O'Ree, Prime Minister Trudeau, Sarah Nurse and a few other guests. They were the only class in the NT to get this exciting opportunity. They learned about the "Willie Lessons" which is a platform for teachers, parents, and fans to learn more about social justice and racism using life lessons from Willie O'Ree, the first Black athlete to play in the NHL.
