...where students are
the No.1 priority

Are you someone:

- Who prefers to learn alone rather than in a regular classroom?
- Who likes to set their own pace for learning?
- Who has other commitments that make attending regular day school impracticable?
- Who needs to pick up credits in a hurry or finish that one extra course in order to graduate?
- Who is a mature learner returning to school?
- Who has only an hour to spare in their day but still wants the chance to pick up a course or two?

If any of these points apply to you and, most especially, if you are a self-directed, motivated learner, then...

Route 51 Learning Institute may be the right fit for you!
