Kaw Tay Whee School

Quality programming

Kaw Tay Whee has a lot to offer

Kaw Tay Whee School, is located on the land of the Yellowknives Dene in Dettah, and proudly offers Junior Kindergarten to Grade 8.

We offer small class sizes with many curricula-based hands on learning opportunities. At Kaw Tay Whee School, we believe in instilling strong academic skills in our students and the importance of teaching global citizenship in a culturally responsive manner.

Our school incorporates the Dene laws in all that we do. In addition to Yellowknife Education District No.1, our school is fortunate to have the support of both the Dettah District Education Authority and Yellowknives Dene First Nation. Our community school is small and mighty!

Real World Experience

Students and teachers

- Teaching focuses on developing meaningful learning experiences that motivate students and inspire curiosity, independence, and a lifelong love of learning.
- Active involvement and support for school programs, events and activities from both the home and the community.
- Specialized school-wide literacy practices and programming to maximize learning in the areas of reading and writing.

Life-long Learning

Quality Education

- Enriching, engaging learning experiences based on all areas of the NWT Curriculum, including Dene Kede.
- KTW offers a variety of Science, Technology, Engineering, and Math (STEM) activities and outdoor-based experiences that keep students active, engaged and challenged.
