

## COVID-19 INFORMATION FOR STUDENTS

# Daily Symptom Screening Tool

Use this COVID-19 screening tool with your child every morning before going to school.

- 1.** Has your child travelled outside of the NWT, or had close contact with anyone who has travelled outside of the NWT in the past 14 days?  
Has your child had close contact with anyone who is showing symptoms of COVID-19, is awaiting a COVID-19 test result, or has tested positive for COVID-19 in the past 14 days?
- If the answer is YES to one or both questions above, please keep your child at home and contact public health for next steps.** If the answer to both questions is NO, move to Step 2.

- 2.** Does your child have **ONE or more** of the following symptoms?

Fever

New or worsening  
cough

Shortness of breath

**If your child has ONE or more of these symptoms, please keep them at home and contact public health for next steps.** If your child has none of these symptoms, move to Step 3.

You can find your local public health phone number here:  
<https://www.hss.gov.nt.ca/en/hospitals-and-health-centres>

My local public health/health centre phone number:

\_\_\_\_\_

- 3.** Does your child have **TWO or more** of the following symptoms?

Sore throat

Runny nose

Nausea/vomiting

Diarrhea

Headache

Feeling generally  
run down and tired

New loss or  
decrease in sense  
of taste or smell

Body aches

**If your child has TWO or more of these symptoms, please keep them at home and contact public health for next steps.**
