**APPENDIX B -
BUSINESS INCENTIVE POLICY
SUBSTANTIATION OF BID ADJUSTMENT**

APPENDIX B1

Pursuant to the Business Incentive Policy of Government of the Northwest Territories, which applies to YK1, Bid preference is available to BIP registered businesses and for the NWT Content and Local Resident Labour components of the Bid. In order to receive this Bid adjustment, all Bidders must provide the information outlined in Appendix B2, Substantiation of BIP Bid Adjustments with their Bid.

The amount listed on the Substantiation of BIP Bid Adjustments, Appendix B2 is to equal the total Bid amount consisting of the General Contractor's "Own Forces" portion of the Bid plus the amount listed for each subcontractor or service provider and the amount listed for each goods supplier. For detailed instructions for completing the Substantiation of BIP Bid Adjustments see Appendix B2.

Amendments to the Tender affecting the tendered price shall require the Bidder to also amend Appendix B2 to reflect the change, prior to the Bid Submission Deadline.

Alternatively, the BIP Monitoring Office offers an interactive spreadsheet to help calculate the Bidder's BIP adjustments. To simplify the process there is an Excel spreadsheet that can be filled in, saved, and submitted with the Bidder's Bid documentation. The Microsoft Excel version of the Business Incentive Policy, Substantiation of Bid Adjustment forms, is available through the following link:

<http://www.iti.gov.nt.ca/en/services/business-incentive-program-bip>

Consequences of Failure to Provide Northern and Local Content

The Contractor acknowledges that if the Contractor or any of its subcontractors do not purchase all or any portion of those goods, services, and labour that the Contractor had agreed (in the Contractor's tender based on Appendix B2) from a particular NWT or Local Business or Supplier, or obtain the NWT or Local Resident Labour identified on Appendix B2 such failure will constitute a breach of its undertaking and may result in the Contractor being labeled "not responsible" in respect of future YK1 projects in respect of which the Contractor might wish to consider Bidding in response to a Request for Tenders or a Request for Proposals.

**APPENDIX B2
BUSINESS INCENTIVE POLICY
SUBSTANTIATION OF BID ADJUSTMENT**

In order to receive a Bid Adjustment under the YK1 Business Incentive Policy (BIP), Bidders must identify the dollar value of their Labour, Goods, and Services, as well as that of all subcontractors and suppliers proposed. This information forms the basis for determining the value of the NWT and Local Content of the Bid.

Credit under the BIP for the NWT and Local Labour Content, which is involved in the provisions of the work, will be allowed for any company, whether BIP registered or not, based on the amount entered in each box identified for Local and NWT Labour.

It is the responsibility of the Bidder to provide accurate and complete information on the forms provided. Failure to do so may affect the amount of BIP Bid Adjustment received. The YK1 will not be held responsible for errors, omissions or inaccurate information contained in the Bidders Bid submission.

Important Notes:

- Any questions are to be directed to the YK1 as indicated in the Instructions to Bidders
- Substantiation may be requested by the YK1 during the bid evaluation process, prior to contract award, or at any time during, or after, the term of the contract
- 'Local' for the purposes of the BIP is the NWT community where the work is located
- The BIP requires detailed costing of: (1) LABOUR, (2) SERVICES, and (3) GOODS, as outlined in the forms.

Instructions for Completing the Substantiation of Bid Adjustment Forms:

General Instructions (apply to both the Services and Goods forms):

1. Indicate the complete legal business name. If the business is BIP registered, use the exact same name as it is listed on the YK1 BIP Registry (www.bipregistry.nt.ca).
2. The total dollar value listed on the Substantiation of Bid Adjustment Forms must equal the total Bid price.
3. Photocopies of the forms may be made as required. Submit all pages used with the Bid.
4. Bid amendments must be submitted with supplementary appendices indicating ONLY increases or decreased in Local, NWT, or Non-BIP Content.
5. Provide dollar values, do not use percentages
6. Declare all subcontractors and suppliers

Services Form:

Note:

- "Labour" is the fully burdened payroll cost.
- "Other Costs" are ancillary costs for services, excluding labour, which would be incurred during the performance of the work. Examples of Other Costs include accounting/bookkeeping services, minor rental costs, insurance, overhead, permits, and/or other fees.
- **It is a requirement to break out labour costs** (i.e. separately identify the associated labour costs and other costs)
- Only those costs associated with services where no labour portion can accurately be determined (i.e. hotel accommodations and commercial air travel) should be identified as a subcontractor under 'Other Costs' (all other claims must break out the labour component)

Project Name: William McDonald School Basketball Court

- Hotel accommodations and transportation services must be identified as separate subcontractors (i.e. do not include these costs under 'Own Forces', unless the services are provided directly by the Bidder)

Local Content:

- Indicate the dollar value of labour provided by residents of the Local Community and associated costs.
- Indicate the dollar value of the services that are considered 'Other Costs'

NWT Content:

- Indicate the dollar value of labour provided by residents of the Northwest Territories (do not include Local Content)
- Indicate the dollar value of the services that are considered 'Other Costs'

Non-BIP Content:

- Indicate the dollar value of labour provided by residents outside of the Northwest Territories
- Indicate the dollar value of the services that are considered 'Other Costs'
- Include costs from outside the NWT and NWT content not listed on the BIP Registry

Goods Form:

- Indicate the dollar value of Local Content
- Indicate the dollar value of NWT Content
- Indicate the dollar value of Non-BIP Content (include costs from outside the NWT as well as content not listed on the BIP Registry)
- Indicate the Commodity that each business listed will provide (i.e. Building Material, Hardware/Tools, etc.)
- Indicate the total dollar value for each line item (Local + NWT + Non-BIP)
- Do not include labour costs in these values

TP1. AMOUNT PAYABLE – GENERAL

- 1.1. Subject to any other provisions of the Contract, the Owner shall pay the Contractor, at the times and in the manner hereinafter set out, the amount by which:
 - 1.1.1. the aggregate of the amounts described in TP2 exceeds
 - 1.1.2. the aggregate of the amounts described in TP3; and
- the Contractor shall accept that amount as payment in full satisfaction for everything furnished and done by him in respect of the Work to which the payment relates.

TP2. AMOUNT PAYABLE TO THE CONTRACTOR

- 2.1. The amounts referred to in TP1.1.1 are the aggregate of:
 - 2.1.1. the amounts referred to in the Articles of Agreement, and

TP3. AMOUNTS PAYABLE TO THE OWNER

- 3.1 The amounts referred to in TP1.1.2 are the aggregate of the amounts, if any, that the Contractor is liable to pay the Owner pursuant to the Contract.
- 3.2 When making any payment to the Contractor, the failure of the Owner to deduct an amount referred to in TP3.1, from an amount referred to in TP2 shall not constitute a waiver of the right to do so, or an admission of lack of entitlement to do so in any subsequent payment to the Contractor.

TP4. TIME OF PAYMENT

- 4.1 For the purposes of these Terms of Payment, "payment period" means a period of 30 consecutive days or such other interval as is agreed between the Contractor and the Owner.
- 4.2 The Contractor shall, on the expiration of a payment period, deliver to the Owner in respect of that payment period a written progress claim that fully describes any part of the work that has been completed, and any material that was delivered to the work site but not incorporated into the work, during that payment period.
- 4.3 The Owner shall, not later than ten days after receipt by him of a progress claim referred to in TP4.2:
 - 4.3.1. inspect the part of the work and the material described in the progress claim, and
 - 4.3.2. issue a progress report, which may take the form of an endorsement on the progress claim, a copy of which will be given to the Contractor, that indicates the value of the part of the Work and the material described in the progress claim that, in his opinion:
 - 4.3.2.1. is in accordance with the Contract; and
 - 4.3.2.2. was not included in any other progress report relating to the Contract.

- 4.4 Subject to TP1, the Owner shall pay the Contractor in accordance with applicable statutes the amounts stipulated hereunder. Northern Contractors' (as defined by the Business Incentive Policy of the G.N.W.T.) claims will become due and payable 20 days after receipt by the Owner of the claim specified in TP4.2. Claims from other Contractors will become due and payable 30 days after receipt by the Owner of the claim specified in TP4.2:

- 4.5 Subject to TP1 and TP4.6, the Owner shall, not later than 20 days for Northern Contractors (as defined by the Business Incentive Policy of the G.N.W.T.) or 30 days for other Contractors after the date of issue of a Substantial Certificate of Completion referred to in GC43.2, pay the Contractor the amount referred to in TP1 less the aggregate of:
 - 4.5.1. the sum of all payments that were made pursuant to TP4.4,
 - 4.5.2. an amount that is equal to the Owner's estimate of the cost to the Owner of rectifying defects described in the Substantial Certificate of Completion, and
 - 4.5.3. an amount that is equal to the Owner's estimate of the cost to the Owner of completing the parts of the work described in the Substantial Certificate of Completion other than the defects referred to in TP4.5.2.

- 4.6 It is a condition precedent to the Owner's obligation under TP4.5 that:

- 4.7 A statutory declaration referred to in TP4.6 and TP4.9 shall be submitted on the attached form. Substitutes will not be accepted.

- 4.8 Subject to TP1 and TP4.9, the Owner shall, not later than 20 days for Northern Contractors (as defined by the Business Incentive Policy of the G.N.W.T.) or 30 days for other Contractors after the date of issue of a Final Certificate of Completion referred to in GC43.1, pay the Contractor the amount referred to in TP1 less the aggregate of:
 - 4.8.1. the sum of all payments that were made pursuant to TP4.4, and
 - 4.8.2. the sum of all payments that were made pursuant to TP4.5.

- 4.9 It is a condition precedent to the Owner's obligation under TP4.8 that the Contractor has made and delivered a statutory declaration to the Owner as described in TP4.7 in respect of a Final Certificate of Completion referred to in GC43.1.

TP5. PROGRESS REPORT AND PAYMENT THEREUNDER NOT BINDING ON THE OWNER

- 5.1. Neither a progress report referred to in TP4.3 nor any payment made by the Owner pursuant to these Terms of Payment shall be construed as an admission by the Owner that the work, material or any part thereof is complete, is satisfactory or is in accordance with the Contract.

TP6. DELAY IN MAKING PAYMENT

- 6.1. Notwithstanding GC6 any delay by the Owner in making any payment when it is due pursuant to these Terms of Payment shall not be a breach of the Contract by the Owner.
- 6.2. When the Owner delays in making a payment that is due pursuant to TP4.4, TP4.5 and TP4.8, the Contractor shall be entitled to receive interest on the amount that is overdue in accordance with the YK1's Financial Administration Manual Policy 725.
- 6.3. The Contractor shall not be entitled to receive interest on any other amount that is unpaid including, without limitation, an amount that is calculated in accordance with GC49.

TP7. RIGHT OF SET-OFF

- 7.1. Without limiting any right of set-off or deduction given or implied by law or elsewhere in the Contract, the Owner may set-off any amount payable to the Owner by the Contractor under this Contract or under any current contract against any amount payable to the Contractor under this Contract or under any current contract.
- 7.2. For the purposes of this Terms of Payment, "current contract", means a contract between the Owner and the Contractor:
 - 7.2.1. under which the Contractor has an undischarged obligation to perform or supply work, labour or material, or
 - 7.2.2. in respect of which the Owner has, since the date on which the Articles of Agreement were made, exercised any right to take the work that is subject of the contract out of the Contractor's hands.

TP8. PAYMENT IN EVENT OF TERMINATION

- 8.1. If the Contract is terminated pursuant to GC40, the Owner shall pay the Contractor any amount that is lawfully due and payable to the Contractor as soon as is practicable under the circumstances.

- 9.1. The Owner shall pay to the Contractor interest on the amount of a settled claim in accordance with the YK1's Financial Administration Manual Policy 725 from the date the claim is settled.
- 9.2. For the purposes of TP9.1 a claim is deemed to have been settled when an agreement in writing is signed by the Owner and the Contractor setting out the amount of the claim to be paid by the Owner and the items of work for which the said amount is to be paid.
- 9.3. For the purposes of TP9 a claim means a disputed amount subject to negotiation between the Owner and the Contractor under the Contract.
