Dear Parents/Guardians,

Here we are heading into the second term with term 1 moving quickly behind us. I think I can speak for many of us who are thankful this is so. Term 1 has been unlike any term one in our current history but I think we have all come through this first 3 months quite strong.

On November 10th, we had the pleasure of having Lieutenant- Colonel Steve Thompson join us virtually from his base in the Middle East to recognize our day of Remembrance on November 11th. Mr. Thompson's family lives in Yellowknife and his children and extended family are part of the YK1 family. He shared with us his role in the "War on Terrorism" as a member of the Canadian Military overseas. He was tasked with the co-ordination of the evacuation of over 130,000 people from Kabul, Afghanistan. He reminded us of those that sacrificed their lives in the past and currently for the freedoms that we enjoy today.

Report Cards will be coming out on Monday November, 22 and we will have Parent/Teacher Interviews on the 23rd and 24th. If you have not already booked an appointment with your child's homeroom teacher, I encourage you to book online (<https://wmms.schoolappointments.com>) or call the office @ 873-5814. We kindly ask that you reserve appointments with your child's homeroom teacher at this time as some specialist teachers

(Ms. McDonald, Mr. Craig, Mme. Elise) are also homeroom teachers and they need to prioritize their classes. On Tuesday, November 23rd we will open up remaining spots to those of you who wish to speak with your child's other core teachers.

While this term has been much different it has also made the report card look a little different. I have attached the document that was sent out to all parents earlier this month that outlines the focus for the [Report Cards](#). Should you have any questions regarding this, please do not hesitate to reach out. I am hopeful that you will take the time to connect with your child and the teacher regarding progress to date and the focus for further learning. The report is merely a snapshot of how your child has engaged and where further learning will or can occur. I am hopeful that you will find the interview process productive and helpful.

On another positive note, we are able to have an in-person PAC meeting as long as all guests are vaccinated and we follow social distancing protocols. Our next PAC meeting will be December 1 @ 7pm in the school's lunch room. If you plan on attending, please bring a copy (required) of your vaccine document to the meeting. In the event that you can not make the meeting in person and would like to attend virtually, please email me at your earliest and I will make sure you are invited at that time (jeff.seabrook@yk1.nt.ca).

Please stay safe,

Mahsi, Thank-you, Merci
